Dear Ann,

Please accept my deepest gratitude to you and all the members of Urban Voices who so willingly gave of their valuable time to share their talents with the boys and girls of Warren Street School. It was an experience they will not soon forget.

I hope it will not be long before we can expect to see an anthology of the creative expressions of Urban Voices in publication. It certainly was an honor to have the group here and I wish you the greatest success in all your endeavors.

Sincerely,

Ruth DiChiara
